

*Empowering today,
nurturing the future*

Marhaba, Namaskar, Hola, Nǐ hǎo, hyvää päivää,
Bonjour, Guten tag, Namaste, Selamat siang,
Konnichiwa, Zdravo, Kia ora, Greetings everyone,

In recent weeks the senior classes have been involved in the Wonder Project. This has involved the classes working with local engineers to create rockets out of bottles etc and blasting them into the air! Thank you to the amazing engineers who worked on this project, the children had an absolute blast!

Winter sports are now underway. A huge thank you to all of the parents and local volunteers who coach and referee these teams/games. How fortunate our tamariki are to have people like this in our community.

Thanks to everyone who attended the recent three way conferences with their children. These are a great time to celebrate what your child is doing at school and determine next steps. We encourage parents/caregivers to meet with teachers whenever they would like to discuss how their child is progressing at school, this is not restricted to just three way conferences. Email your child's teacher to organise this if required.

Have a wonderful weekend everyone!

Sarah Brown
Principal

Our hikoi to Kōroripo Pā

"On Thursday the whole of Te Whakatupuranga walked to Kōroripo Pā. Also we went to Mātua Renata's workshop. He re-uses trees to make beautiful carvings. Each carving tells a story. I wish I could carve like that.
By Tawa Duxbury"

"Mātua Renata makes cool carvings. He made our tokotoko stick too. It is called Tūmanako and makes us feel strong and confident when we talk" (Blake Jordan).
