*Empowering today, nurturing the future*

Guten tag, hola, dobri dan, konnichiwa, hallo, namaste, sawubona, kia ora, greetings to everyone,

Welcome back everyone, and a warm welcome to all of our new families. We have had a great first week back at school. Classes are underway with 'Expressing ourselves' inquiry units which are underpinned by the Arts.

Later in the term we will begin the 'Keeping ourselves Safe' programme. This is part of the Health curriculum and schools work alongside the Police when delivering this programme. There is an information session for parents about the programme, details are provided below.

Sadly during the holidays we had some very sad news. Our former teacher Mrs Liz Baker passed away. Our thoughts are with her whanau at this time. Liz was a remarkable woman who was always so positive, she will be sorely missed.

Please remember that we are having Three Way Conferences next week. It would be helpful if you are able to collect your child at 12.15pm on Tuesday so that Teachers are able to prepare. For more information [click here](#).

Have a great weekend.

## School Lunches

### Water only

Our school has pledged to be a 'water- and plain (not flavoured) milk-only' school. We have made this pledge because we are aware that schools who have adopted a water and plain low-fat milk-only policy, have seen student health, behaviour and learning improve.

You should have received your term menu yesterday that went home, check your child's school bag. Deliveries are made to the school every Wednesday and Friday. Orders can be made through Kindo <https://www.kerikeriprimary.school.nz/shop/>

You can place your order in advance up to 9am on date of delivery. Order now and save last minute panic on the day!

### Storm Report by Fletcher Browne

A once in 500 year storm has depressed Northland, flooding houses and shops and causing road slips. 212 emergency callouts were made as the storm destroyed Northland.

One kind farmer has been a blessing to some households in Morewa. With his digger and some shovels he has scraped off all the flood damage for free!

Whangarei residents were asked to not drink tap water after the city's water treatment plants were, "struggling to cope with intense rainfall." the Whangarei District Council said.

### Fishing By Dane

I can't wait to get into the boat and stuck into the fishing. I really go for the fish! I cast my rod as far as I can. I'm getting the kingi! I bait the hook, cast, wait and reel! I feel almighty powerful and ...cold!

### Bare Tree Poem by Madison

Dear Tree,  
How I admire your lovely branches  
reaching to the sky.

Your bumps are like a bumpy  
driveway.

The brown bark that covers you  
Mingles with patches of lichen.

Let me ask you this one thing...

How do you grow so big?

### An Irresistible Lunch by Stella Langner

In the palm of my hand, I glare at the handful of shiny, juicy gummy bears. I stuff 3 gummy bears at a time into my mouth. Once I'm done I take the half torn bag and shove it in my lunchbox.

I turn my head around and stare at the beautifully wrapped slim coffee biscuit. I reach out to grab it and rip the packing foil apart. I take bites until it disappears.

I let my tummy settle and eye my cheese sandwich. The burned butter toast makes it even yummiier. I munch the mushy cheese quietly. I put the paper bag in my lunchbox.

I'm as stuffed as a teddy bear until...dinner time!
