16th April 2021

Dobri dan, Bonjour, Hola, Zdravstvuyte, Nǎn hǎo, Salve, Konnichiwa, Guten Tag, Olá, Anyoung haseyo, Asalaam alaikum, Hallo, Kia ora koutou, Greetings everyone,

What a great term we have had at KKPS! Lots of amazing learning experiences both inside and outside of the classrooms. Thanks to everyone for their continued support. Teaching and learning is really about a partnership between school and home and we couldn't do it without you!

On Sunday, The Weetbix Tryathlon was held at Waitangi, it was great to see so many KKPS students there. In fact, we received 15 complimentary entries in next year's tryathlon for having the largest number of student entries.

Thanks to Mr Kirkland for his amazing organisation skills for promoting this event and his work on the day at the tryathlon!

Congratulations to all of the students who participated, what fantastic triathletes we have!

This week we had three way conferences, thanks to everyone who attended these with their children. You can organise to meet with your child's teacher at any time to discuss how your child is going at school. Just email the teacher or message them through dojo.

Enjoy the holidays everyone and make the most of this time with your child/ren.

Ngā mihi
Dr Sarah Brown

We had 80 KKPS children participate in the Weetbix try over the weekend at Waitangi. Luckily the rain held off so that everyone could enjoy the day without getting wet. Well done to all the participants who did KKPS proud.

Morning Tea with the Principal

The Plough and Feather host a weekly 'Morning tea with the Principal' at their restaurant.

Each week two children who consistently show amazing KORU kids values will join Sarah Brown to have morning tea. Congratulations Finnegan Fulton Kain, Jared Vere, Eunice Paquis and Cameron McCarthy.

GARDEN TO TABLE

GROW, HARVEST, PREPARE, SHARE

GTT would like to say a HUGE Thank you to our school families and community for the beautiful donations of fresh produce this term.

This has been a wonderful help while our gardens are being established for growing this year. Also to the PTA for their help towards new kitchen equipment, and their endless support of our gardens.

Students from room 19 and 8 were so excited to show off their culinary skills in their first "MasterClass" competition on Thursday. We are running a fun competition for each year 5 class that participates in Garden to Table this year.

They will be cooking one savoury dish and one sweet dish for our panel of judges each term. This is a great way for them to show off what they have been learning in their Garden to Table sessions, they are so proud of what they are producing. They are in the running to win KKPS Masterclass 2021.

CONGRATULATIONS to all our "Kerikeri Primary School Personality Plus Amazing Young Readers," (see below),

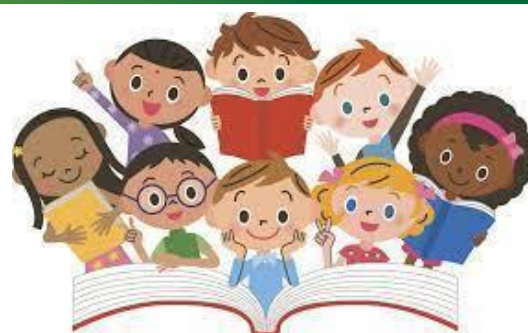

who competed against 33 teams at the annual Lit Quiz Competition. The quiz involves year 6, 7 & 8 students from the Northland Region and is Held in Our School Hall.

All three teams did fabulously well and won lots of individual prizes. Team 2 won the section of the Quiz to do with "Legends." This was amazing considering they were up against the knowledge of year 7 & 8 students.

Congratulations goes to:

Team 1

Ethan Powrie	Room 25
Angus Henwood	Room 8
Sophia Ibbotson	Room 23
Kelly-Anne Sexton	Room 20

Team 2

Hadley Browne	Room 20
Holly McGlinchey	Room 25
Grace Steenkamp	Room 23
Ava Wylie	Room 23

Team 3

Swara Kharche	Room 20
Hannah Wade	Room 23
Layla Bell	Room 20
Eva Lovell	Room 25

Reserves

Sylvie Fletcher	Room 23
Jack Mounter	Room 20
Grace Oakley-Spake	Room 20

Koru Kids - Tāku Hikoi

KKPS has been on a KORU journey for some time. When the KORU values were conceived a number of years ago, we could never have imagined the strong guiding force that they would become in all that we do at KKPS. In 2016, our KORU Booklets were introduced to assess and track our children's progress against the four values, Kia Kaha, Owning our Learning, Respectful and Responsible, and Understanding and Accepting. Children worked with their teacher to assess themselves against a number of goals, sharing learning conversations and challenging themselves to work towards the KKPS Graduate Profile.

In 2020 we began to reimagine what this document might look like, simplified, environmentally sustainable, easy to use but still with a view to providing something that would help to show a child's learning journey from year

0 through to year six. After much consultation and conversation we are really proud to present Tāku Hikoi (My Journey).

Each child now has a copy of Tāku Hikoi, which is presented as a Google Slide. This digital file will follow them through the school. It is a record of achievements in all areas; KORU values, Academic, Sporting, Cultural and Service to the School. As your child achieves milestones on their journey towards the KKPS Graduate Profile, they will earn Digital Badges.

Tāku Hikoi gives us an opportunity to celebrate each child's unique learning journey. Our children are really excited to be able to collect badges and will no doubt, be keen to share their achievements with you.

Next term I'll spend time breaking down what K, O, R, and U look like and what the indicators are.

Class of the fortnight - Room 3 with Tara Penney

Room 3 have had an amazing first term, we recently enjoyed creating this Hundertwasser inspired art. Thank you to the parents for coming to the 3 way conferences this week. It was great to catch up and share your child's learning. I look forward to seeing you next term.

The IYP programme is a parenting programme aimed at helping whānau/parents:

- Strengthen their relationship with their tamariki/children
- Stimulate their tamaiti/child's development
- Gain skills to feel more confident about their parenting

- Have positive and nurturing parenting styles
- Lessen harsh parenting practices
- Establish better relations with the tamaiti/child's teachers

Tuesday 18 May 2021

6:00 pm - 7:00 pm

Kerikeri Primary. 39 Hone Heke Road, Kerikeri

Netsafe education advisors will be talking about the risks, challenges and opportunities of digital technologies, and practical ways we can help young people be safe online.

This session, tailored specifically for the Northland region, will look at how parents and whānau can support young people to navigate online opportunities confidently.

Topics that will be covered include online bullying, social media, privacy settings, establishing agreements in the home with your children. There will be an opportunity to ask questions. <https://www.eventbrite.co.nz/e/netsafe-live-northland-parents-whanau-tickets-149641827735>.

They bring their expertise and practical support talking about the risks, challenges and opportunities of digital technologies, and practical ways we can help young people be safe online. We think their messages are as important today as they have ever been in this increasingly digital age.
