22nd October 2021

Dobri dan, Bonjour, Hallo, Hola, Zdravstvuyte, Nǐn hǎo, Salve, Konnichiwa, Guten Tag, Olá, Anyoung haseyo, Asalaam alaikum, Kia ora koutou, Greetings everyone,

Welcome back everyone!! What a unique start to the term, amazing the impact two women can have on a province! We sincerely thank you for your support this week, we realise distance learning is not easy and we applaud what you have done. Thanks also to our amazing team of teachers this week.

At the end of this year, Mr Kent Simpson is leaving our school to study full time to become a youth counsellor. Kent will be back in a relieving capacity at our school. We wish Kent every success with his studies and future career path. Tara Penney will also be leaving at the end of the year to study and travel (if possible!). Tara will be back as a reliever until she goes travelling. We wish her all the best with her studies and future travel. This term Mr Michael Baty is teaching in Room 1 and is acting Team Leader during this time. Mr Dave Kirkland will begin the Middles Team Leader role in 2022. Michael will be back with us in 2022 as a teacher in Te Whakatapuranga and Mrs Tracy Bowron will also be returning as a junior teacher.

The Board has recently negotiated a deal for solar panels to be installed. This means next year we will have solar panels on the hall roof, and our children will be able to monitor the school's usage.

The newly laid turf is looking great, it is wonderful to be able to use property funding from the ministry for projects such as this.

With many Covid restrictions in place, you are aware that we have had to cancel or postpone many events. The year 6 graduation is one we are currently working on. At this stage we are looking to live stream this event and will send out more details closer to the time. We won't be holding Christmas carols on the lawn this year.

We will be sending out details soon about how to send in evidence of being double vaccinated for next year. As you will be aware, from January 1st, 2022, all adults interacting with school children must be double vaccinated. This will affect parents helping in classes, going on camps etc.

Have a lovely long weekend everyone, we look forward to seeing you all back on Tuesday!

Ngā mihi
Dr Sarah Brown

KORU Kids at KKPS

Week One - Incredible Years

The Incredible Years® is a series of interlocking, evidence-based programs for parents, children, and teachers, supported by over 30 years of research. The goal is to prevent and treat young children's behaviour problems and promote their social, emotional, and academic competence. The programs are used worldwide in schools and mental health centers, and have been shown to work across cultures and socioeconomic groups. At KKPS teachers have been trained to use the strategies within their classrooms to help promote positive behaviours.

Alongside the program for teachers lies a program for Parents, and we are fortunate to have this course running locally thanks to Ngāti Rehia.

What is Incredible Years Parenting?

The Incredible Years Kaupapa is a parenting program aimed at helping parents:

- To have a better relationship with their children
- Stimulate their children's development
- Gain skills to feel more confident about their parenting
- Have a positive and nurturing parenting style
- Lessen harsh parenting practices
- Establish better relationships with the child's teacher

The Incredible Years Parenting Program focuses on:

- How to play with your child
- The value of effective praise
- Using rewards to motivate children
- How to set limits with your children
- How to handle mis-behaviour by ignoring, distracting and redirecting
- Logical and natural consequences
- Creative problem solving

Incredible Years Parenting Program methods are:

- Based on the way children develop
- Trialled and tested and have been proven to work with most children and cultures including New Zealand
- Encouraging a nurturing relationship in the process of learning about children's behaviours
- Parents work together to find solution that suits them best
- Parents discover new skills they can use
- Parents in the group are encouraged to support each other

If you are interested in taking part in this program or have further questions you can contact Ariana from Ngāti Rehia directly: Call her 094016399 or email araian@ngatirehia.co.nz, or email the admin office at KKPS admin@kkps.school.nz

KORU Kids at home

It's great to see so many families celebrating the KORU values at home. Click on the buttons below to download a koru reward chart or KORU Kids at Home slips. Just send them into school and they can go in the KORU slip boxes in the admin area.
