5th November 2021

Dobri dan, Bonjour, Hallo, Hola, Zdravstvuyte, Nǐn hǎo, Salve, Konnichiwa, Guten Tag, Olá, Anyoung haseyo, Asalaam alaikum, Kia ora koutou, Greetings everyone,

## Covid

There certainly have been interesting times in the North of late with regards to Covid. We appreciate your support in the recent weeks with the measures we have put into place as a school. The Ministry has just provided more details around level 2 and the vaccine requirements. From November 16th, all staff on site and people contracted by the school, including parent helpers in classes will need to be vaccinated. By the 1st January 2022, these people must be fully vaccinated.

From next week, parents are able to drop off and pick up their children within the school grounds. You do not need to be vaccinated to enter the school grounds for pick up or drop off. We ask that you limit entering the office and classrooms unless you really need to. Parents attending school trips or helping out in classes need to be vaccinated. We encourage all parents entering the school grounds to scan our QR code at the gate and wear a mask.

## PTA

Unfortunately this year our PTA has not been able to fundraise like they normally would due to the Covid restrictions in place. The PTA contribute significantly to our school financially. At present they are fundraising towards our school getting some swings which the Student Council has requested. Fingers crossed next year they can get back into the swing (excuse the pun!) of things again. We have a PTA Meeting this Monday 8th November at 6pm in the staffroom. We would love to have more parents join this group. It is a great way to meet other parents. Please come along and join us to plan future fundraising events. Drinks and nibbles provided.

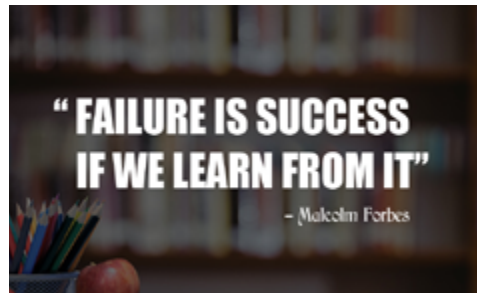

## Staff

In a week's time, Tina Schonweiss, one of our Teacher Aides will be leaving us. She will be continuing to run her after school programme. We wish her all the best with her future endeavours. At the end of the year, Sue Haightmark, another teacher aide, will be retiring. Sue has been at our school for 20 years, what an impressive inninings! We wish her all the best for her retirement. Jean Johnston, a regular reliever and release teacher will also be retiring. We also wish Jean the best for her retirement.

## Solar panels donation

Recently a member of our local community made an anonymous and significant donation towards the supply and installation of the solar panels at our school. We are incredibly grateful for this donation. The children are looking forward to becoming actively involved to help the school reduce its carbon footprint and overall power consumption. Enjoy your weekend everyone.

Ngā mihi  
Dr Sarah Brown

## Morning Tea with the Principal

The Plough and Feather host a weekly 'Morning tea with the Principal' at their restaurant.

Each week two children who consistently show amazing KORU kids values will join Sarah Brown to have morning tea.

Congratulations Jordi Simm-Wesselo, Isabella Molloy, Mila Jurisich, Hannah Williams-Wright, Caitlyn Wilson and Kiki Shimoazono-Reid

# KORU Kids at KKPS

## Week Three - Teaching KORU values in the classroom

KKPS KORU school follows a framework called Positive Behaviours for Learning, which is a New Zealand Ministry of Education initiative, based on the PBIS framework founded in the USA. It advocates that by teaching, and rewarding behaviours that we want, we can help shape Positive Behaviour for Learning.

The process starts by us teaching our tamariki how we would like them to behave. What does it look like? What does it sound like? What does it feel like? Once the children have been taught the behaviours we expect we reward them in a number of ways.

This week in our Staff Meeting we focused on creating more lesson plans for what we need to teach our children. We targeted areas that children may not be aware of, may have forgotten, or may just need a refresh!

Teachers have worked together in mixed teams - Juniors, Middles, and Seniors - so that we can cover all areas for our tamariki. We have also found resources, materials, and experiences where children can feel successful but showing these values.

We are looking forward to teaching these amazing plans with the tamariki over the coming weeks and into next year.

Over Weeks 3-4 we are focusing on the Swimming Pool as we are beginning to get into the pool again.

### If You Want It, Teach It!

- "If a child doesn't know how to read, we teach.
- If a child doesn't know how to swim, we teach.
- If a child doesn't know how to multiply, we teach.
- If a child doesn't know how to drive, we teach.
- If a child doesn't know how to behave,  
we..... .....teach? .....punish?

Why can't we finish the last sentence as automatically as we do the others?"

- Have a go

- Follow Instructions

- Walk when inside the pool area
- Change quickly; look after all your clothing
- Wait patiently in line
- Use the changing sheds appropriately
- Leave the pool area how you find it

- Share the space safely
- Allow others to be safe

## We have another MUFTI DAY!

Our school is having a mufti day and if you bring along a gold coin the money will go to the Cancer Society.

**It will be on Friday the 19th of November**

All the money we have at the end of the day will help many people around the country that are suffering from cancer.
