18th March 2022

Kia ora koutou, Dobri dan, Bonjour, Hallo, Hola, Zdravstvuyte, Nĩn hão, Salve, Konnichiwa, Guten Tag, Olá, Anyoung haseyo, Asalaam alaikum, Greetings everyone,

Continual gratitude is extended from the staff at KKPS for your support during the times we find ourselves currently navigating through. School is officially open, and unless your child is in isolation or is unwell, please continue to send your child to school each day. Your child's education is important and attending school is key to this.

Masks are required to be worn by all year 4 students and up, unless they have an exemption. Please make sure your child brings their own mask to school unless they have an exemption. The school provides a mask when a student has forgotten one. We have limited access to securing stocks and therefore need your support with a mask from home.

If you know of a child who will be starting our school in the next 18 months, please encourage the parents to complete an enrolment form ASAP and bring it into the office. It is very helpful to know numbers of

children who will be starting with us in the future. Enrolment forms can be found on our website: <https://www.kerikeriprimary.school.nz/enrolments/>

Congratulations to Dan Simmonds who is the new Presiding Member (formerly known as Board Chair) of the school Board. Fintan McGlinchey has been the PM for the last few years and we thank him sincerely for his services over this time. He has been a phenomenal PM and will remain on the Board. Board elections will be held in September.

Have a wonderful weekend everyone!

12th April Early Finish

To enable teachers to meet with whanau, we are asking that children be collected early at 12.15pm on Tuesday 12th April. This will give enough time to prepare for the first 3WCs which begin at 1pm.

If you are unable to collect your child early on this day, they will be supervised for the remainder of the day. Buses will run as usual on this day - 2.50pm.

KORU Kids at KKPS

Week Seven - Koru Values Recap

KKPS has 4 KORU values - 'Kia Kaha', 'Owning our Learning', 'Respect and Responsible' and 'Understanding and Accepting'. This week we are expanding on Kia Kaha and Owning Our Learning.

Kia Kaha translates to 'Be Strong'. At KKPS we want our tamariki to be strong, resilient learners who are willing to give things a go, and not give up when things get tricky.

Tāku Hīkoi (My Journey) recognises the skills

that demonstrate Kia Kaha at KKPS. As your tamariki progresses through school, they will be awarded digital badges on their journey to achieving the KKPS Graduate profile.

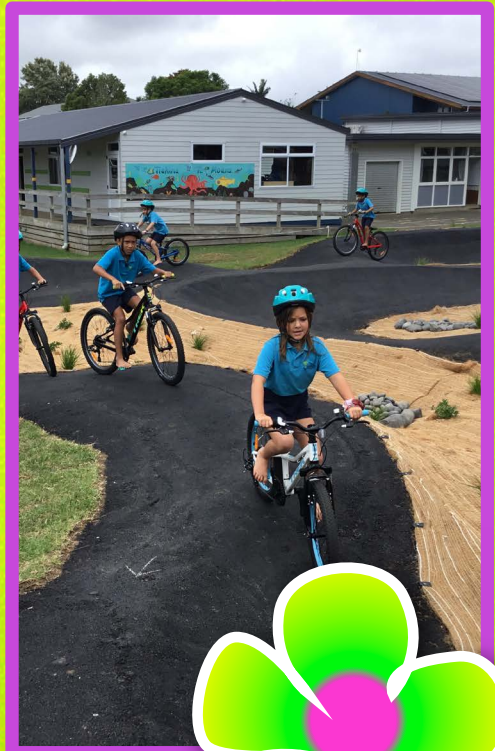

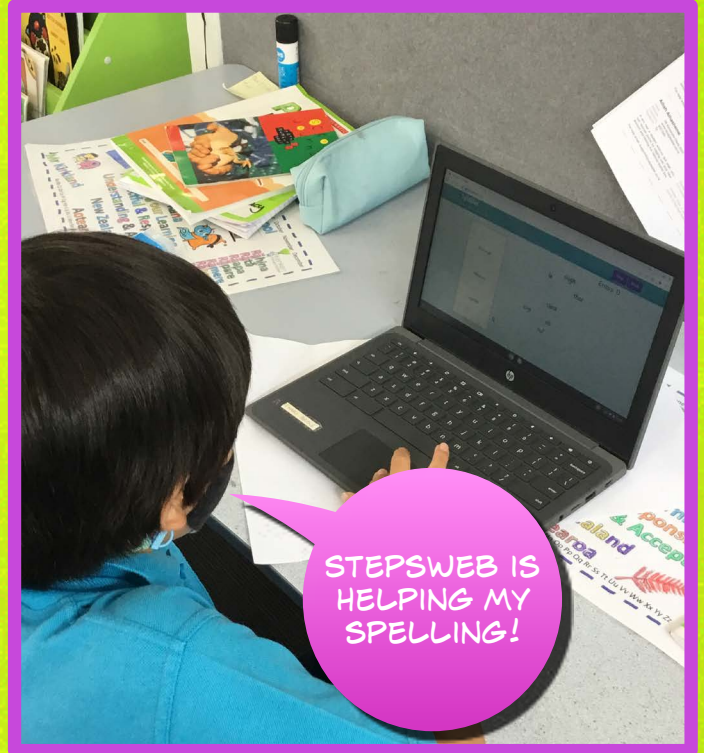

Owning our Learning means that we value curiosity. We encourage children to be critical thinkers, and ask questions. Through our termly Inquiries we develop questioning and research skills. We follow a cycle of Knowing, Organising Information, Researching and Understanding.

This term our Inquiry has a focus on Choices. It is not only in Inquiry that we promote 'Owning our Learning'. In all areas of our KKPS curriculum we expect that children will become leaders of their learning, by knowing what they are learning and what comes next.

Girl's Football

Year 5 and 6 (and some year 7) girls after-school football occurs on the KKPS rear fields from 3:15pm on Fridays (including this Friday 18th March). This will continue until the end of Term 1 and may resume in Term 4.

Currently it includes some KKPS and Riverview students (but open to students from other schools)

The format involves some skills lessons, then a football game. It is fairly casual, no experience required.

Football gear is not required, but it is preferred if shoes are worn. No cost to parents. There is currently space for around 10 to 12 additional students in the program.

To register interest and receive communications please email girlsfootballatkkps@gmail.com. Or you can text Pete on 027 352 2884 with questions.

As you will be aware, our carpark is a busy place at the end of each day.

Please be patient and where possible come closer to 3pm, as it is particularly busy between 2.50pm - 3pm.

There are also signs indicating that there is no right turns from Hone Heke road into the carpark. This is to allow more free flowing traffic during this time, thank you for your assistance.
