1st April 2022

Kia ora koutou, Dobri dan, Bonjour, Hallo, Hola, Zdravstvuyte, Nǎn hǎo, Salve, Konnichiwa, Guten Tag, Olá, Anyoung haseyo, Asalaam alaikum, Greetings everyone,

Didn't the children do soooo well at the TRYathlon last Friday! It was great to see the children's determination to succeed and positive attitude towards the event and supporting their peers. Having parents onsite also really added to the atmosphere. It has been a long time since we have had parents at school for an event, so thank you for coming along to support our children. Here's to more school events soon!!!!

You no doubt are aware that some of the mandates have been lifted in education, including the need for school staff to be vaccinated. This also includes parents helping out at school and on school trips. Masks continue to be mandated for years 4-6. Please provide your child with a named mask if your child is in these year levels.

At the end of this term, Erin Hooper will be leaving to become an RTL (Resource Teacher of Learning and Behaviour). She will be based at our school in this role. We thank Erin for all that she has done for our school and wish her all the best in her new role. We will be making an internal appointment for the Team Leader role in the coming days - this will remain in place for the rest of this year.

A big shout out to Aio Kingi's dad: Troy Kingi. Troy was recently awarded the 2021 Apra Silver Scroll Award for his funk-laden song All Your Ships Have Sailed from his

record The Ghost of Freddie Cesar. It's the fourth album in his 10 10 10 series, making 10 albums in 10 years over 10 different genres. What a super star we have in our local community. Congratulations Troy.

3 Way conferences

12th April Early Finish

To enable teachers to meet with whanau, we are asking that children be collected early at 12.15pm on Tuesday 12th April. This will give enough time to prepare for the first 3WCs which begin at 1pm.

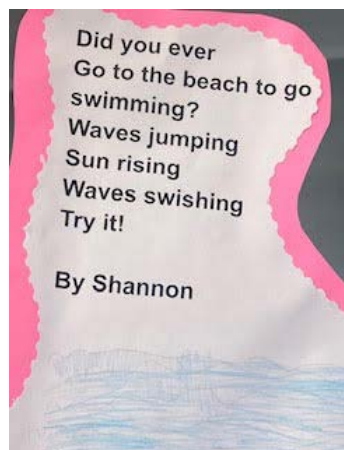

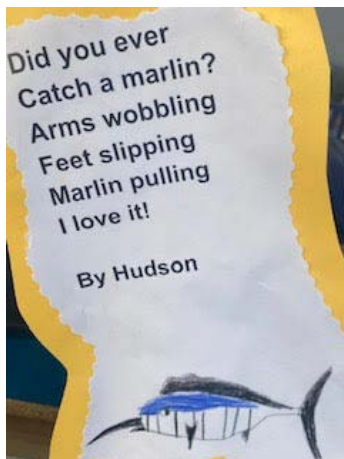

If you are unable to collect your child early on this day, they will be supervised for the remainder of the day. Buses will run as usual on this day - 2.50pm.

KORU Kiòs at KKPS

Week Nine

Koru Kiòs Recap part 2

KKPS has 4 KORU values- 'Kia Kaha', 'Owning our Learning', 'Respect and Responsible' and 'Understanding and Accepting'. This week we are expanding on Respect and Responsible and Understanding and Accepting.

Our KORU values were created to promote positive behaviours not only in the classroom and at Kerikeri Primary School, but also to develop essential skills that are necessary for everyday life. Being respectful towards others and taking responsibility for our choices, our belongings and our well being contribute to being great global citizens.

Being respectful and responsible are life skills that need to be nurtured. Whether we're at school, at home, at the shops, online or face to face, our tamariki need to be coached and supported in making healthy respectful choices. Class Dojo has a series of short video clips to support the message of Respect- [Episode 1](#), [Episode 2](#) and [Episode 3](#). [Amazing Things Happen](#)

Like all the KORU values, learning to understand and accept others is a hugely important life skill. We are all unique and our differences are what make us special. We may not all agree on who's the strongest superhero, or what's the best flavour of ice cream, but that's okay. We need to support our tamariki to play/work alongside others, and to begin to encourage them to think about how others might feel in different situations.

Our Rōpū Days provide an opportunity for our tamariki to work together with children of all ages. They nurture tuakana/teina relationships and develop the understanding and

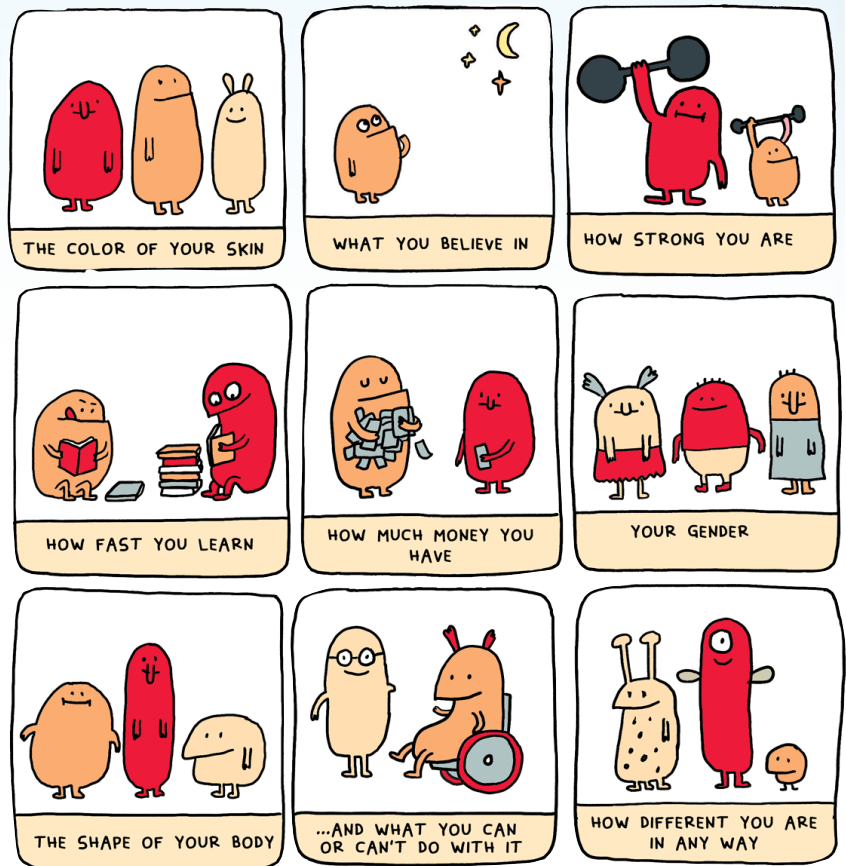

acceptance of others. Next week our Rōpū Day has a Matariki (Māori new year) focus in preparation for our celebration in week 9. Matariki is an important celebration in the Māori calendar and by celebrating together we are nurturing understanding and acceptance of all.

Class Dojo has a series of video clips about Empathy. You can watch them here: [Episode 1](#), [Episode 2](#) and [Episode 3](#)
