3rd June 2022

Kia ora koutou, Dobri dan, Bonjour, Hallo, Hola, Zdravstvuyte, Nǎn hǎo, Salve, Konnichiwa, Guten Tag, Olá, Anyoung haseyo, Asalaam alaikum, Greetings everyone,

We have had another great week at school, with classroom inquiries underway with themes such as Minibeasts and caring for our environment. The inquiries link to the science curriculum as classes explore habitats and life cycles. The year 3 and 4 classes will be visiting Puketi forest soon to meet with DOC to learn more about the animals and protection of our forests.

After many delays, we will be getting our canopy cover installed over the turf soon. The contractors have had to bring their start dates forward, and will now be commencing on Saturday 25th June. This will involve installing fencing around the perimeter of the turf while they work on the canopy. They will be finished at the end of the July holidays. During the July holidays, the school grounds will be closed to the public due to the property works. The childcare programme will still be able to operate out of the hall.

We are looking forward to holding our first disco in what has been a very, very long time on June 10th. Thank you to the PTA for organising this event. The theme of the disco is Countries of the world!

Enjoy your weekend everyone and thank you for your continued support of our amazing school!

Ngā mihi
Dr Sarah Brown

Rōpu Day

Last Friday, the children had a blast during Rōpu Day. The children rotated around 5 different Science activities making new friends along the way. It was awesome to see them so engaged in their learning, asking questions, making hypotheses and checking these out.

The next Rōpu Day will be held on Tuesday 21st June and will be based around Matariki. Parents are welcome to join us on Rōpu days.

Morning Tea with the Principal

The Plough and Feather host a weekly 'Morning tea with the Principal at their restaurant.'

Each week two children who consistently show amazing KORU kids values will join Sarah Brown to have morning tea.

Congratulations Bodhi Hutchinson, Blu Baxter, Tasmyn De Leur and Gabriela Hernandez.

ICAS 2022 for years 3 to 6

ICAS is designed to target students' higher order thinking and problem-solving skills in English, Mathematics, Science, Writing, Spelling Bee and Digital Technologies.

The assessments are suitable for students wishing to extend themselves academically and take up the personal challenge of competing in an international assessment, which has been running for 40 years.

KORU Kids at KKPS

Term Two - Week 5 Koru Kids Keep Calm

We can all experience times in our lives when we feel overwhelmed, stressed and anxious. (We call this our red brain). There are lots of things we can do to make ourselves feel better (back in our green brain). We may take a walk, meet a friend for a chat, practice yoga, or a number of other activities. This is no different to our beautiful tamariki, who are at times, also challenged. Sometimes, they may be frustrated by an activity, encounter conflict with others, have a sleepless night, or be subject to any number of factors that affect their emotions and wellbeing.

When these situations arise at KKPS we support our children to use strategies to help return them to a place of calm. This poster is a visual prompt and to help support our children to calm. These strategies are easy to implement and need little resources. They can be used in the classroom and the playground.

Next time your child is feeling overwhelmed outside of school why not try one of these strategies.

KORU expectation of the fortnight

We are focusing on our Before/After school expectations this fortnight. Over the next two weeks, have a chat with your child about how they get to/from school and the KORU/Safety expectations surrounding this

Before School	Wait outside Room 5 until you hear the 8am bell (no playing on the playground), put your belongings away and prepare for the day as per teacher instructions, go outside and play, at 8.50am bell go straight to your classroom, late students must sign in at the office before going to class
After School	Wait patiently away from the playground, remember to take your belongings home, help those that are lost, go straight to your destination.
Pick Up	Wait patiently, stay seated on benches, listen to instructions, walk sensibly to car with adult, be a role model for others
Bus	Follow the bus rules, listen to bus monitors, look after your equipment, get your name ticked off on roll before getting on the bus.
Walking Home	Walk through the school quietly, be mindful of traffic, use the pedestrian coffee, leave the school promptly and walk straight to your destination.

Cross Country 2022

Senior Cross Country Information

Ages 7-10 yrs - 7th June
(Postponement 13th June)

Times of races
AGE GROUP (taken as of the 1st Jan)

10.30 - 7 Boys	11.45 - 9 Girls	**(these are approximate) Organisers may change times at their discretion.
10.45 - 7 Girls	12.00 - 10 Boys	
11.00 - 8 Boys	12.15 - 10 Girls	
11.15 - 8 Girls	12.30 - Finish	
11.30 - 9 Boys		

Children need to be wearing suitable clothing for the event and need to bring enough water and food. SHOES must be worn as there are small clumps of gorse hiding in the grass and a metal bush track to run through.

Parking will be limited down at the Stone Store so have a think where you might park. Maybe at the sports grounds?

All children will be walking down to the Stone Store in classes. We have hired a bus to take children back to school. Contact your class teacher if you can walk with the children down to the Stone Store.

Any questions, please contact Dave Kirkland

davek@kkps.school.nz

Junior Cross Country Information 2022

Ages 5 - 6 yrs - 8th June
(Postponement 10th June)

Chn grouped Age as First of 1st January 2022

*Room 20
enjoyed coming
to school in their
PJ's to support
a good cause.*

INQUIRY

"Painting our Pukeko's for our Pukeko art. We are learning about wetlands and what we might find in them. First we used dye for our background, practiced and drew our Pukeko and painted it. We are now ready to create raupo plants or harakeke from newspaper, dye it and stick on. We can wait to see the finished result!"
