12th August 2022

Kia ora koutou, Dobri dan, Bonjour, Hallo, Hola, Zdravstvuyte, Nǎn hǎo, Salve, Konnichiwa, Guten Tag, Olá, Anyoung haseyo, Asalaam alaikum, Greetings everyone,

Thanks to everyone who attended our recent three way conferences and also provided feedback about our strategic planning for the future. The Board has also sent home a paper version of the questions for those who didn't get the chance to provide feedback at the 3WCs. These are due back at school by the end of next week (just place the survey into the box in the admin area). The Board will use this feedback to guide us in creating our next three year strategic plan.

The Board nomination process closed last week. We received five nominations, and so we are not required to go through the voting process. The following people will be our new Board for the next three years:

Sarah Brown, Dan Simmonds, Chloe Davenport, Dave Te Iri, Amy Slack, Pam Brunton. The staff member on the Board will be **Jo Van der Linden.**

A huge thank you to **Fintan McGlinchey** and **Trudy Hau** who have been on the board and have now stepped down. Fintan has led the board for close to six years and Trudy has been on the Board for the last three years. We wish them both all the best and thank them for their commitment to our school.

Sadly **Harry Muunu** will be leaving us on September 9th. He will be tutoring full time at North Tec from this date forward. We sincerely thank him for sharing his passion and knowledge of te reo Māori in Te Whakatupuranga.

What a fabulous night, the quiz evening was at the Turner Centre! Thank you to the amazing PTA who ran it and to the Turner Centre for providing such a spectacular venue. The PTA raised around \$10,000 which will be going towards the purchase of some swings. Swings have been a request by The Student Council for the last couple of years. The list of sponsors for this event is on the next page, please support these local businesses, we couldn't have done it without them. If you attended the event, thank you! And we hope you enjoyed the night as much as we did!

Enjoy your weekend.

Ngā mihi
Dr Sarah Brown

KORU Kids at KKPS

Term Three - Week 3 KORU Kids online

This week we shine a light on how we are KORU kids when using Digital Technologies at KKPS. As we know our KORU values extend beyond the school environment. At school, at home, and on-line we want our children to be KORU kids. Together with consultation from Netsafe we have created this visual to support our tamariki to be KORU kids online.

These are some other sites that support the message of Digital Citizenship.
