18th November 2022

Kia ora koutou, Dobri dan, Bonjour, Hallo, Hola, Zdravstvuyte, Nǎn hǎo, Salve, Konnichiwa, Guten Tag, Olá, Anyoung haseyo, Asalaam alaikum, Greetings everyone,

If you have been into school recently, you may have noticed local artist Erika Pearce creating amazing masterpieces in front of the senior classrooms. These murals have been developed from the ideas of the year 5 and 6 children, along with local stories from Kipa Munro (from Ngāti Rēhia). Erika has also incorporated drawings from some of the senior school students into the murals.

Have a wonderful weekend!

Ngā mihi

Dr Sarah Brown

## Term Four - Week 5

**2022 has proven to be a successful year in terms of how KKPS KORU School values and expectations have been promoted across the school. Much work has been done with staff, whānau and tamariki to develop sustainable practice.**

### 2022 Highlights:

Regular PLD with staff:

- Term 1: A day recapping the key components of the PB4L Framework and how it relates to KKPS KORU school
- Terms 2 and 3: Sessions with Melanie Martin developing staff understanding about co-regulation and “Time to Calm”
- Term 4: Looking at the data from 2022 to consider ‘what next’ for KKPS KORU School
- \$5,000 project funding grant to develop “Time to Calm” practices throughout the school. Puppets to teach social and emotional skills were purchased from local puppeteer Kylie Penn. A ‘Time to Calm’ Kete was created for each class. Teachers had two sessions of PLD and the Support Staff also had PLD.
- \$5,000 project funding grant to develop KORU signage across the school.
- Mrs Brooks completed Tier 2 training through MOE facilitation.
- Tier 2 systems have been developed, documented and shared with the staff.
- A KKPS KORU Handbook has been created and housed in the KKPS shared Google Drive

### Next Steps for 2023:

- Install signage across the school promoting KKPS Koru Values and Expectations using both te reo Māori and English
- Revisit KKPS acknowledgement systems including KORU slips. Consider student/staff and whānau voice. Design a system for our acknowledgements. Introduce and implement a new system.
- Develop Tier 3 systems at KKPS
- Strengthen our Tier 2 systems.
- Review and reflect on KKPS KORU School practice through regular collections of student/staff and whānau voice
- Update the KKPS website to show our KORU framework and practices.

As summer rapidly approaches, the school gardens have burst to life! Over the next two weeks we will focus on how we use our KORU values in the school gardens. Teachers will visit the gardens with their tamariki to model and discuss what the expectations are. Students will be given the opportunity to role-play what these look like, sound like and feel like.

## Class of the fortnight: Rm 12 with Emma-Lee Dromgool and Sara Rogers

In Room 12, as part of our Technology unit, we have been creating treasure boxes. We identified a need to make Christmas presents for someone in our family. We looked at what materials we had available and designed the boxes, then constructed them.

The Tech Ninjas visited our class this week! We got to battle the Edison robots that we constructed out of lego. We had to work in pairs to build the strongest robot.

# Pūkōrero 2023

Last Friday 4th November, Kerikeri Primary School had our Pūkōrero finals (Māori Speech Finals). It was an amazing event with so much talent. ## What is it?

### **We raise money**

We hold fundraisers to help bring in extra funds for Kerikeri Primary School and our tamariki

### **We spend money**

Each year we are able to support our school by funding a number of things including:

Poi for kapa haka, the bike track, lights for the disco & matariki, books & resources, support for garden to table, materials for school murals, and we're getting swings this summer!

### **We bring our community together**

We organise and support school discos, trivia nights, matariki evenings, the monster mash, sausage sizzles, juicie days and a number of other events throughout the year.

### **What's the commitment?**

We meet once a month in the staffroom (nibbles and drinks provided). This is where we share ideas, plan events, make fundraising decisions and have fun!

### **We need you!**

We are losing a lot of PTA members at the end of this year. If we don't have enough parents we won't have a PTA, which means no more PTA organised events and resources. We would love to see you at a meeting. Come check it out.

**Everyone is welcome.**

### **Friends of the PTA**

If you can't make meetings all the time, but would love to support the PTA, you can become a "Friend of the PTA". Friends of the PTA are our first call for helping by donating an hour of time at our fundraising events, or providing baking or food for our events.

### **What next?**

Contact [pta@kkps.school.nz](mailto:pta@kkps.school.nz) to register your interest in joining OR come along to our final meeting for the year which is December 12<sup>th</sup> at the Plough and Feather – 6pm. And follow our facebook page to keep up with events:

We hope to see you there!
