1st November 2024

Kia ora koutou, Dobri dan, Bonjour, Hallo, Hola, Zdravstvuyte, Nǐn hǎo, Salve, Konnichiwa, Namaste, Guten Tag, Olá, Anyoung haseyo, Asalaam alaikum, Greetings everyone,

A huge thank you to everyone who joined us for the Monster Mash last night! It was a fantastic community event, filled with fun and laughter. Special thanks to our wonderful PTA for organising it, and to all the staff and parents who pitched in to help out. We also want to acknowledge the local businesses who generously supported this event. You'll find their names later in the newsletter—please support these community-minded businesses as they support us.

A reminder to not park in the staff carpark or lane (health and safety) to the carpark after school. Some of the staff leave straight after school and are unable to, as cars are blocking them in.

We encourage you to pick up your children closer to 3pm, as this would lessen the traffic at 2.50pm. Thank you for your support with this.

In other news, we're excited to report that upgrades to our swimming pool changing sheds, including a brand-new roof, are

nearly complete. We're on track to start swimming in Week 5, and your child's teacher will be in touch to confirm their class's swimming days. Our classroom carpet replacements are also almost done; any remaining classrooms will be completed over the Christmas holidays.

Today, we celebrated a significant milestone at our

school as the 500th school to receive property upgrades through the He Iti Kahurangi programme. These upgrades include new carpets, LCD lighting, acoustic panels, and additional power sockets. To mark this occasion, everyone at school enjoyed a sausage and fresh fruit, and we hosted a group of visitors who toured the school to see the improvements.

Thank you for your continued support, and enjoy the weekend ahead!

Ngā mihi

Room 13 Claire Brooks

Room 13 has been incredibly busy this term already. We've been learning to throw, catch and hit a ball in cricket. We've been really engaged in play as our back area is beginning to take shape. We love our mud kitchen and chalk boards. We practiced what to do in the National Shakeout. We stayed calm, and practiced "drop, cover, hold". Anouk came to school to talk to us about rubbish and recycling. We were very good at sorting the rubbish into what could be reused and recycled. Monster Mash too, was a highlight of our term so far. We are learners and so we enjoy writing. We know that letters make sounds, and sounds together make words, and these make sentences. We have enjoyed Rōpu Days this year, especially making new friendships and creating crafts. It's amazing how we've grown and learned so much this year!
