

A Word From Our Principal ...

Kia ora koutou, Dobri dan, Bonjour, Hallo, Hola, Zdravstvuyte, Nǐn hǎo, Salve, Konnichiwa, Namaste, Guten Tag, Olá, Anyoung haseyo, Asalaam alaikum, Shwmae, G'day,

Greetings everyone,

Wow, what a memorable time we had on Tuesday at our Colour Fun Run! The children had an absolute blast getting messy and active. A huge thank you to our hardworking PTA for organising this fantastic event, and an equally big thank you to everyone in our school community who supported the fundraiser.

The money raised is going directly back to the students and will be used to purchase some new digital equipment and outdoor play equipment!

Colour Fun Run Prizes

If your child participated in the fundraising, it's time to claim their rewards!

Eligibility: Students who raised \$10 or more.

How to claim: You are now able to order your prizes through the fundraising platform.

Important Reminder: Prize orders close strictly on March 25th, so please make sure to get your orders in before the deadline!

Weekend Sports & Activities

It has been lovely to hear about so many children signing up for different sports and activities outside of school.

With Saturday sports starting up soon, registrations are open right now at most local sports organisations. We highly encourage getting involved! Being part of these community groups is a fantastic way for children to:

Build resilience

Develop new friendships

Learn valuable new skills

Have a wonderful weekend, everyone!

Ngā mihi,

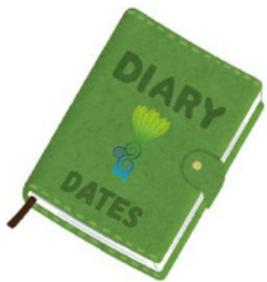

Dr Sarah Brown

Afternoon Tea with the Principal

The Plough and Feather host a weekly Afternoon Tea with our Principal at their restaurant.

Each week, two children who consistently show amazing KORU kids values will join a member of the Senior Leadership Team to have afternoon tea.

Congratulations this week to: Ramon & Roman and Julius & Tristan

INFORMATION FOR PRIVATE CLIENTS

Paediatric Occupational Therapy

We work with tamariki and rangatahi to help them engage in the everyday activities that are important to them.

We support children's independence with getting ready for school, concentrating in class, improving handwriting, social participation, or completing day-to-day activities.

What is Occupational Therapy?
 Occupational Therapists support people to do the things they want to, need to, or are expected to do, to help them live a health-filled and balanced life. Our Occupational Therapists are trained to assess children, their environment, and the challenging task. They then work with the child, provide recommendations for equipment and caregiver education, or modify the task to better suit their abilities.

How do I know if a child needs Occupational Therapy?
They may:

- not meet developmental milestones
- have difficulty managing schoolwork or keeping up with peers
- have sensory challenges resulting in difficulty managing everyday tasks (e.g. agitation during grooming tasks, sensitivity to light/ noise)
- appear clumsy or uncoordinated
- have difficulty with fine motor tasks including buttons, shoelaces, handwriting
- have difficulty with emotional regulation (e.g. big outbursts when completing challenging tasks).

We have availability now in the Northland Region for further information, please reach out referrals@habit.co.nz

Room 7

Miss Lowe

What we have been up to in Room 7

We have been very busy in Room 7 learning about positive relationships and friendships, doing lots of swimming, and learning about how to be a learner.

We really enjoyed participating in the Colour Fun Run this week!
